### Part III STATEMENT OF REASONS FOR ALLOWANCE

1. This office action is in response to the amendment filed on 11/01/06. Claims 1-5,7, 12-15,18-22 are being allowed over the prior art of record. Prosecution on the merits is closed in this application.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record teaches different ways of printing data in a network system using a portable device (e.g. Smith, II et al.'242), but the prior art of record fails to teach, or suggest the claimed limitations of (in combination with all other features in the claims), a system or method of printing data using a portable device wherein a print request to said printer system to print said read data, the **print request** comprising an **order command data** composed of a print **command data**, an **identification data for the portable terminal and an internet address data** where the read data is located, when sending the printer request, transmits the identification data and password and the internet address data through said network to the network server system, **said printer system outputs a transfer command data to said network server system in response to said print request, the transfer command data comprising a transfer request, the identification data and the internet address data, said network server system outputs said read data to said printer system, based on said transfer command data, wherein said network server system confirms an agreement between the identification data sent by said portable terminal and the**

**identification data contained within the transfer command data sent by said printer system..**

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee, and to avoid processing delays, should preferably accompany the Issue Fee. such submissions should be clearly labeled "comments on statement of Reasons for Allowance".

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Smith, II et al. (7,006,242) teaches a printing system selected information..

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gabriel I. Garcia whose telephone number is (571) 272-7434. The Examiner can normally be reached Monday-Thursday from 7:30 AM-6:00 PM. The fax phone number for this group is 571-273-8300.

**CENTRALIZED DELIVERY POLICY:** For patent related correspondence, hand carry deliveries must be made to the Customer Service Window (now located at the Randolph Building, 401 Dulany Street, Alexandria, VA 22314), and facsimile transmissions must be sent to the Central FAX number, unless an exception applies. For example, if the examiner has rejected claims in a regular U.S. patent application, and the reply to the examiner's Office action is desired to be transmitted by facsimile rather than mailed, the reply must be sent to the Central FAX Number.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (571) 272-2600.
